Hearing Number: Z15-111

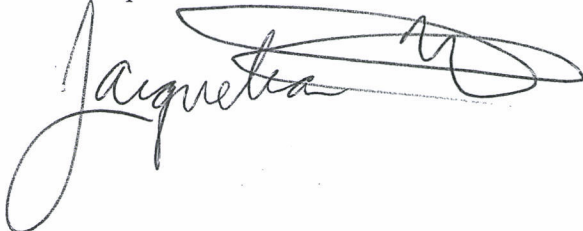

Location: 1318 NW 75 St, Miami-Dade County, FL.

To whom it may concern;

My name is Jacquelean Tew and I am the home owner of 1316 NW 75th Terrace and I am writing this letter out of concern for the Martinez and Carralero family. The applicants are requesting to permit additions to their residence. I am defiantly in favor for this permit, and hopefully it can, and will be approved. The Martinez and Carralero family are very hard working and deserving, for this permit. This family is trying to beautify their home, and defiantly when their home is beautified it brings value to the neighborhood and the other home owners. I hope that this letter is brings value, for the Martinez and Carralero family when they submit this letter to you. Please have favor with this family, and help them. Actually please guide them in the right paths, so they can be on one accord with Miami-Dade County when it comes to beautifying their home. I close with saying I am proud and blessed to have this family as my neighbors, and I am for this family to fix their repairs and do what is needed to beautify their home.

Respectfully Submitted,

Jacquelean Tew

To Whom it may Concern,

I am writing in reference to the property
@ 1318 NW 75th Street, Miami FL.

I believe I have a direct interest as
my back/kitchen door is located directly behind
the property in question. My experience has
been nothing but good with the owners and
in fact we have grown to be friends.

I've never had a problem with any of
the work being done; nor has it ever infringed
on my quality of life or disturbed me. So
as far as I am concerned they have my
support as a neighbor.

Respectfully Submitted,
Barry E. Bryant
